

Elementary and Secondary School Emergency Relief Fund III (ESSER III ARP) Amendment

After meaningful consultation with all required stakeholders, the ESSER Committee is recommending amendments to the original approved plan including:

- Reduce funding for buses to include the purchase of only 1 bus and increase the funding for payroll to support other activities that are necessary to continue to employ existing staff of the LEA.
- Amend planned capital outlay to remove a freezer and add an oven to support implementing activities during long-term closures, including providing meals to eligible students.
