

Our Mission: To provide a nurturing community focused on leadership and educational excellence.

Dear Jubilee Westwood Families,

Welcome to the 2023-2024 school year. My name is Dr. Erlinda Valderas and it is my privilege and honor to serve as the new Principal of Jubilee Westwood. I am excited to establish a strong culture of student engagement alongside our community of learners and families. I look forward to an exciting year that includes growth for our students. Furthermore, I am ecstatic to work with our parental community.

Together with our Assistant Principal, Ms. Prines and our Jubilee Westwood faculty and staff, I welcome you to the Wolfpack! We are excited to share all that we have with both new and existing families and students. At Jubilee Westwood, we are dedicated to ensuring that your child has the best learning experience possible while at the same time, challenging them through our rigorous curriculum and instructional practices.

In delivery of our Determined Destiny Values, Jubilee Westwood students, together with our faculty and staff, acquire Joy, Understanding, Balance, Integrity, Leadership, Empowerment and Excellence. In doing so, we consistently empower students to make great choices and develop positive behaviors.

Once again, welcome to Jubilee Westwood and welcome to the Wolfpack! Please feel free to reach out to me anytime or drop by just to say hello. Let's make it a great year Wolves!

Very Respectfully,

Dr. Erlinda Valderas
